

MD TORIKUL ISLAM HIRA

Network Engineer & IT Specialist

Dhaka, Bangladesh · tori.islam.hira@gmail.com · 01321083704 · torikulislamhira.github.io

PROFESSIONAL SUMMARY

Network Engineer with over 4 years of hands-on experience managing high-stakes 24/7 broadcast and healthcare infrastructures. Proven track record automating server security, optimizing database performance, and designing secure network architectures using Fortinet and MikroTik. Skilled at bridging DevOps and Network Administration to maintain 99.9% system uptime.

TECHNICAL SKILLS

Networking

MikroTik (MTCNA), Fortinet Firewall, Network Security, DNS Management, VPN, Routing & Switching.

DevOps & Automation

Bash Scripting, CI/CD (GitHub Actions), n8n Workflow Automation, Cron Jobs.

Server & Cloud

Linux (Ubuntu/Debian), Windows Server, Docker, Nginx, DigitalOcean, AWS.

OS & Hardware

Windows Server, Ubuntu/Debian, MikroTik, Fortinet Firewall.

PROFESSIONAL EXPERIENCE

Broadcast Engineer — Information & Technology

Samoy Media LTD, Dhaka · May 2026 – Present

- Infrastructure Lead:** Maintained mission-critical broadcast equipment (Utah routers, SPG9000, TVU) to ensure 99.9% uptime for live operations.
- Security & Network Integrity:** Configured Fortinet firewalls and BISS encryption to isolate networks and protect live media feeds.
- Performance Tuning:** Streamlined complex 160x160 video/audio routing matrices, reducing transmission latency and boosting production efficiency.

Senior Executive — Information & Technology

Labaid Cancer Specialized Hospital, Dhaka · May 2025 – March 2026

- Infrastructure Lead:** Oversaw EMR software deployment and maintenance, ensuring 99.9% uptime for mission-critical hospital operations.
- Security & Compliance:** Architected Fortinet firewall policies to secure sensitive patient data, with HIPAA/GDPR awareness.
- Performance Tuning:** Optimized server resources, reducing database response latency by 30%.

Server Administrator

IT Bangla, Dhaka · Nov 2024 – Apr 2025

- Government Projects:** Consulted on secure server architectures for high-traffic public sector applications.

- **Incident Response:** Diagnosed complex backend issues, reducing resolution time by 40% through advanced troubleshooting.
- **DevOps Integration:** Bridged the gap between Dev and Ops to ensure seamless application deployment.

Junior Executive (IT & Network)

Somoy Media LTD, Dhaka · Mar 2022 – Oct 2024

- **Broadcast Reliability:** Maintained the 24/7 broadcast network infrastructure for Bangladesh's leading news channel.
- **Automation:** Developed scripts for routine network health checks, minimizing manual monitoring by 50%.
- **Live Support:** Provided Level-2 technical support for critical hardware/software failures during live news broadcasts.

CERTIFICATIONS & TRAINING

GitHub Foundations (2025) Certified proficiency in Git version control, collaboration, and CI/CD workflows.	Dec 2025
Fortinet Certified Fundamentals in Cybersecurity (FCF) Modern cyber threat landscape, threat actors, and core technical security principles.	Jun 2025
Certified General Security Professional (Hikvision) Designing, configuring, and managing comprehensive CCTV surveillance networks and access control solutions.	Mar 2025
MikroTik Certified Network Associate (MTCNA) Advanced routing and network management.	Mar 2024
Certified General Security Associate (CCTV & Access Control) Expertise in physical and digital security integration.	Jan 2022

EDUCATION

BSc in Computer Science & Engineering (CSE) <i>European University of Bangladesh, Dhaka</i> Currently in the final semester, completing thesis work for a BSc in Computer Science and Engineering.	Mar 2022 – Jan 2027
Diploma in Computer Science <i>Daffodil Polytechnic Institute, Dhaka</i> Diploma program in Computer Engineering covering foundational software and systems engineering skills.	Jan 2018 – Jan 2022
